ACI Technologies

Mo, 06.02	Tu, 07.02	We, 08.02	Th, 09.02	Fr, 10.02
TECDCN-2840 Next Generation ACI Data Center Architecture, Deployment and Operations	**BRKDCN-1601** Introduction to ACI		**BRKDCN-2950** Nexus Cloud: How to manage your Nexus Data Center from the cloud	
		BRKDCN-2673 Nexus-as-Code - Kickstart your automation with ACI	**BRKDCN-3900** A Network Engineer's Blueprint for ACI Forwarding	**BRKDCN-2969** Managing your data center network with ServiceNow
	BRKDCN-2906 Introduction to Infrastructure as Code for ACI with Ansible and Terraform	**BRKDCN-2984** ACI: the foundation of an internal private cloud **BRKDCN-2949** Cisco ACI Multi-Pod Design and Deployment		
	BRKDCN-1688 How to operate your Nexus and ACI networks from the Cloud with Nexus Cloud	**BRKDCN-2980** ACI Multi-Site Architecture and Deployment	**BRKDCN-3982** ACI L4-L7 Policy-Based Redirect (PBR) Deep Dive and Tips	
			BRKDCN-3612 Secure Firewall in ACI	
	BRKDCN-2910 Why You Shouldn't Fear Upgrading Your ACI Fabric - The Handbook!			

Cloud Compute Technologies

Mo, 06.02	Tu, 07.02	We, 08.02	Th, 09.02	Fr, 10.02
TECDCN-2495 Building Clouds for Enterprise Applications with Intersight, UCS X-Series and ACI in an air-gapped Industry	**BRKDCN-2629** Cisco UCS Security - Architecture, Operations, and Innovations **BRKOPS-2376** Expand your Automation Journey with new Cisco NSO Use Cases and Features	**BRKDCN-2961** UCS X-Series: Architecture, Deployment Best Practices and Migration		
		BRKGEN-1240 3-2-1, Go! It's a Cooking Competition, and the Cisco Chefs have the Perfect Recipe – a Single Contract for the Solutions you Need to Drive Innovation and Outcomes	**BRKDCN-2649** Wandering between the virtual and physical network architectural world of HyperFlex.	
	BRKDCN-2619 UCS server I/O connectivity with the 5th Generation UCS Virtual Interface Cards			
		BRKDCN-2973 Unleash the Power of Converged Infrastructure Using Cisco Intersight and UCS X-Series **BRKOPS-2040** CiscoLive: Brought To You By Cisco NSO and Cisco Modeling Labs		
		BRKDCN-2938 Intersight Managed Mode (IMM) for UCS Manager admins		

NXOS Technologies

Mo, 06.02	Tu, 07.02	We, 08.02	Th, 09.02	Fr, 10.02
TECDCN-2820 Next Generation VXLAN Data Center Architecture, Deployment and Operation	**BRKDCN-1619** Introduction to NDFC: Simplifying Management of Your Data Center	**BRKDCN-2958** Datacenter Maintenance and Migration Best Practices	**BRKDCN-2999** Multi-Tier Fabrics - Network Designs for the Modern Data Center	
		BRKDCN-2667 Simple Leaf/Spine with a touch of TOR - Network Designs for the Modern Data Center	**BRKDCN-2689** Streaming Telemetry on Cisco NX-OS	**BRKDCN-3953** End-to-End QoS Implementation and Operation with Cisco Nexus Switches
	BRKDCN-1901 Introduction to VXLAN: The Future Path of Your Datacenter			
		BRKDCN-3914 Deploying Nexus Dashboard in your Organization		
	BRKDCN-2621 Architecting Hybrid Multi-Cloud Infrastructures			
	BRKDCN-2929 Simple VXLAN/EVPN Fabric setup with Nexus Dashboard
